## **Cal EOC Incident – 2014 Drought**

- SOC / Inland REOC remains activated in support of 2014 Drought

# WEATHER

## WEATHER SYNOPSIS BY REGION:

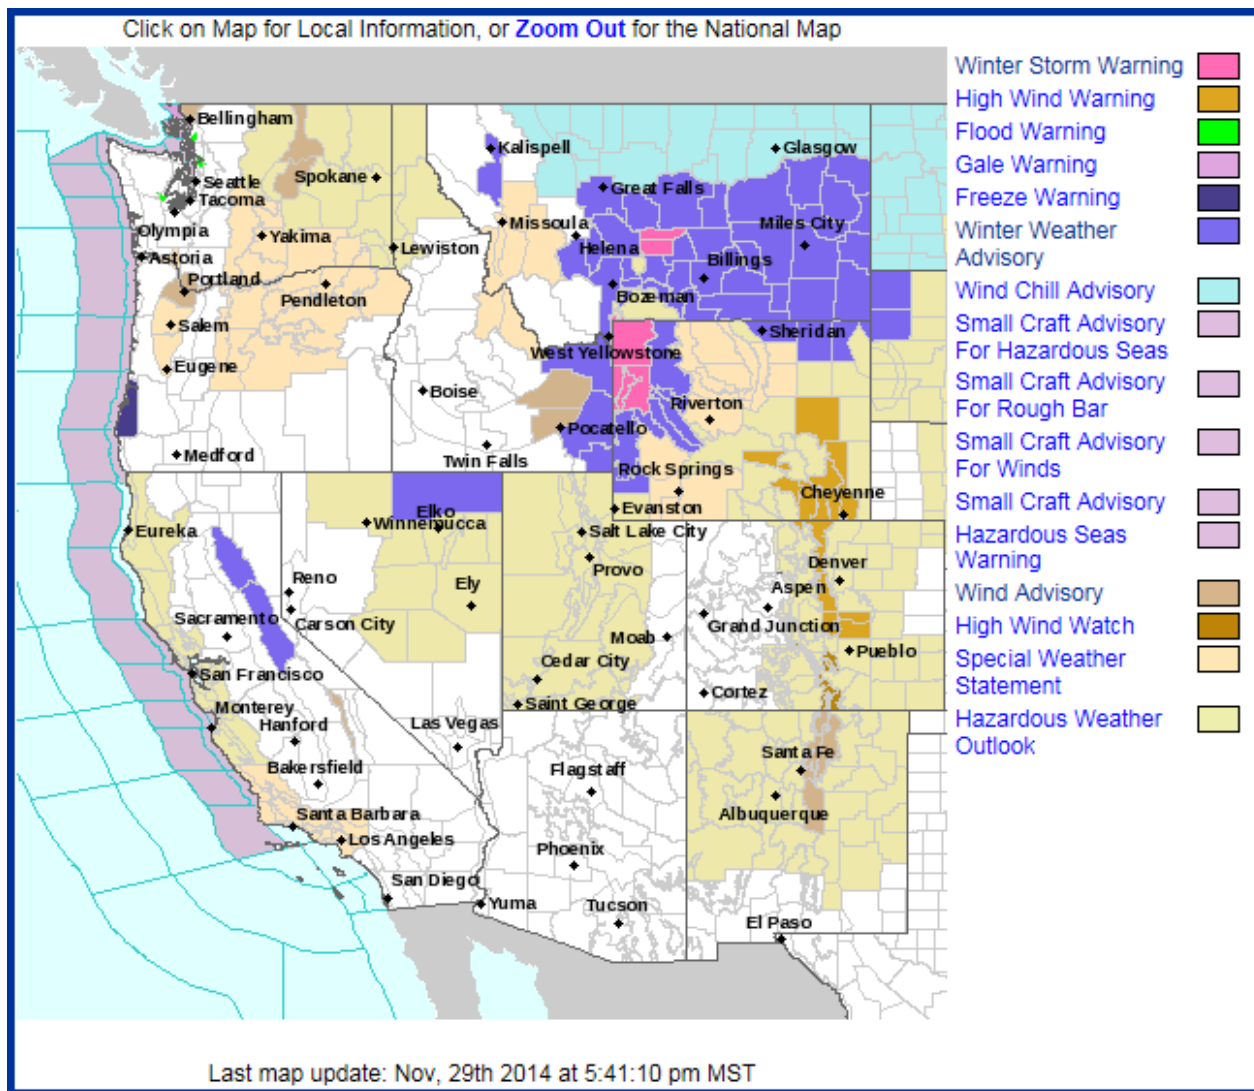

### **NORTHERN CALIFORNIA:**

A series of low pressure systems will move through the area through at least the middle of next week. This will result in periods of wetting rains and higher elevation snowfall.

### **SOUTHERN CALIFORNIA:**

Cooler, with higher humidity through the weekend as onshore flow strengthens. There is a chance of some light rain or drizzle along and west of the mountains on Sunday. Minor warming and drying on Monday, then a low pressure system over the Pacific is expected to approach the coast and move inland Tuesday and Wednesday. This system will maintain cooler weather, higher humidity, and will likely produce widespread moderate to heavy wetting rains and high elevation mountain snow.

# RECOVERY ACTIVITIES

## Boles Incident Vegetation Fire- City of Weed, Siskiyou County

### Recovery Activities

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The filing deadline to return applications for property damage is 12/01/14. The deadline to return economic injury applications is 07/01/15.
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL continues to work with the Weed LTRG in identifying resources and gaps in services.
- The VAL participated in a meeting with the CA Human Development agency and the Great Northern Services (GNS) to discuss potential use of drought funding to assist fire survivors with rental and utility payments. GNS identified a gap in rental and utility assistance of \$65k. The information was forwarded to the California Housing and Community Development and Siskiyou County for consideration. On November 20, 2014, CA Human Development notified Cal OES and GNS that funding to assist residents was approved. CA Human Development will work with GNS and the LTRG to identify families needing assistance and subsequently meet individually with the families. Payments will be made directly to the landlord and or utility company. CA Human Development has requested assistance from GNS in identifying office space to meet with clients. The rental and utility needs of residents affected by the Happy Camp fire will also be captured.
- Based on an inquiry from the LTRG, the VAL reached out to the County Behavioral Health regarding funding to assist with mental health counseling for students affected by the Boles Fire. The County Behavioral Health is working with the Weed Family Resource Center to provide funding for Grief and Trauma counseling in the community.
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyous.edu/humanresources/documents/fireresourcelist.pdf>. Additional information on recovery efforts can be found at <https://weed.recovers.org/>.
- Food donations are being accepted at 310 Boles Street.
- The hazardous tree removal process is expected to be completed by 12/15/2014, weather permitting.
- Debris removal for all participating properties is complete. All sites have been tested and have met the cleanup goals for the project.
- On 10/28/14, the City of Weed reestablished water pressure to its downtown area; however, the water storage capacity for fire suppression is still lacking. The City expects water storage to be restored by 12/31/14, or sooner if the weather permits.

# **RECOVERY ACTIVITIES**

## **Magnitude 6.0 Earthquake, American Canyon, Napa County**

- Cal OES and FEMA announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.
- Low-interest federal disaster loans are now available to California residents and business owners as a result of President Obama's major disaster declaration. The declaration covers Napa and Solano counties as a result of the South Napa Earthquake and aftershocks that occurred August 24 – September 7, 2014.

## **Recovery Activities**

- Sixty-one (61) RPAs have been received and ten (10) have withdrawn for a total of fifty-one (51) RPAs submitted to FEMA. Forty-seven (47) Kickoff Meetings have been completed and one (1) kick-off meeting has been scheduled for this week. There is one (1) kickoff meetings yet to be scheduled for PNPs that have now been approved. It is currently scheduled that all kickoff meetings will be complete by 12/05/2014.
- The FEMA and State VAL continue to work with nonprofit organizations in Napa County regarding Long Term Recovery efforts and the need for a LTR group. Local representatives are meeting to discuss previous efforts by the initial LTRG that is no longer operational.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. The Vallejo Earthquake Recovery Group (VERG), a long term recovery group, has formed and has established by-laws and elected an Executive Board. United Methodist Committee on Relief (UMCOR) will provide case management training to local organizations in Napa and Solano counties.
- Local Assistance Center (LAC): County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). On October 29, 2014, FEMA and SBA provided representatives in the Napa LAC. On October 30, 2014, the Disaster Recovery Center in the City of Vallejo opened. The LAC and DRC are open until further notice. The operational hours for both centers are Monday - Friday 9 AM to 6 PM; Saturdays 9 AM to 4 PM; Sundays closed; In addition, both centers will be closed on November 27, 2014, and November 28, 2014, in observation of Thanksgiving.
- The California Small Business Development Centers (SBDCs) have partnered with SBA and are providing services at no charge to assist small businesses impacted by the disaster with financial counseling, management and technical assistance, business planning, reconstructing damaged or destroyed business records, rewriting business plans, etc.
